

EXEAT AND ON-CAMPUS VISITATION POLICY

The school provides for sufficient number of breaks and holidays during which time students go home and spend time with their families. Therefore, normally exeats and on-campus visits to the school by parents are not permitted. These may, however, be permitted under special and unavoidable circumstances at the discretion of the school management.

Exeats or on-campus visits are not permitted in months with scheduled breaks and holidays, or during tests and examinations.

No parent is to arrive at the school unannounced for whatever reason. Parents may visit the school only after seeking prior appointment and permission.
